

Celebrate the History of the Goldfield-Tonopah Area

For anyone interested in the life and history of the Nevada boomtowns, these are the books for you!

Filled with photos and maps as well as historical facts and memoirs by noted authors, you will be fascinated by the lore of the famous mining camps and boomtowns in Nye County and the Death Valley area.

Boom Town History is filled with stories of famous mining districts with interesting names like Wahmonie and Ubehebe- and "Red Light," historic and present-day photos, maps, and even some poems.

Boomtown History II answers questions about area ghost towns, mining disasters, and the historic Joe Gans fight. Boomtown History III focuses on the Tonopah and Goldfield area and looks at where they began and where they are today. Experience the preservation efforts by local residents, tour historic landmarks,

and enjoy the first volume which contains color photos.

Learn all about life in the camps, mines like the Belmont and Round Mountain, the Johnnie copper belt, lost mines in Nevada's famous Area 51, railroads, early aviation, and the energy, fortitude, dreams and sacrifices of the families who founded and have flourished throughout the State of Nevada.
